Directions to 549 Hillside

From the Albuquerque airport or Interstate 40, get on I-25 north and travel about 60 miles to Santa Fe Exit #282 St Francis Drive. Continue north upon exiting for 2.6 miles until you reach Cordova. Turn right on Cordova and travel 1.1 miles until you get to Old Pecos Trail.

Turn left on Old Pecos Trail, which will automatically turn into Old Santa Fe Trail and continue downhill for .8 miles until you come to Paseo De Peralta.

Turn right on Paseo De Peralta the road will curve to the left and the second street light will be Palace Ave.

Turn right on Palace Avenue travel 0.1 miles to Armijo Street (a small street on your left hand side that is easy to pass up, on the right you will see the street sign Delgado)

Now it gets a bit tricky so follow these directions carefully.

Turn Left on Armijo and go 0.1 miles (past Tony St) to the y in the road

Turn left at the y and you will be on Hillside although there is no street sign there.

Continue less thn 0.1 miles to the sign that says dead end.

Stay to the left past the sign that says dead end and continue 0.1 miles . Right before the green cattle guard fence.

There will be a mail box that says 539. Turn left here and go up the hill to the top towards the stone wall. You will be at the very end of the street. This is your house at long last, you made it! It will say 549 on the grey stucco and the blue gate into your sunken patio. Do not get confused by other houses that have the same address.
