## Directions to 113 Rodrigues

From the Albuquerque airport or Interstate 40, get on I-25 north and travel about 60 miles to Santa Fe Exit #282 St Francis Drive. Continue north upon exiting for 2.6 miles until you reach the street light Cordova. Turn right on Cordova and travel 1.1 miles until you get to Old Pecos Trail. Turn left on Old Pecos Trail, which will automatically turn into Old Santa Fe Trail and continue downhill for .8 miles until you come to street light Paseo De Peralta. Turn right on Paseo De Peralta. Continue 0.5 miles. In a couple of blocks the road will curve towards your left. Continue to curve with the road to the second street light which is East Palace Ave. Turn Right onto Palace Ave travel 0.3 miles to Rodrigues Street which is on the left hand side of the street only. The street sign is completely obstructed by trees. The street also just looks like a dirt drive way. Very easy to pass up. So I have put a sign up at the corner that says " You are Here". Turn Left and you will shortly come to a fork in the road. Take the middle fork and you will be at your house. Park around back by the fence. When you enter the house and turn the key make sure you also turn the iron door knob to open the door. Welcome to Santa Fe! Have a wonderful time
